

New Student Mail System – Windows Live

The new student email will now be run through Windows Live ID, much like Hotmail you will need to log in through the <http://login.live.com> portal (picture below).

Log-in using your student ID followed by the email extension @students.nortcoll.ac.uk, then the same password used to log into the college network (you need to log into the college network first before you can set up your email).
